June 20th - June 24th 2022

## Welcome Trainees and Parents!

Trainees first week done and six more weeks to go!

It's been a long week for our trainees and interns as most of them are finished their first week of work! We're going to be focusing on those that have found a footing in there job site!

**Word of the Week!** | **Optimism**  
n. hopefulness and confidence about the future or the successful outcome of something

## Spotlight: EMT Basic Cadet

Interview with intern, Kesean Hughte!

**What is something you're excited about for the coming weeks?**

Probably, being involved with helping the community.

**How well are you adapting to the job?**

I've been volunteering for a couple months, so I know what to do! There were some big challenges at first, but not anymore. My favorite things to do are talking on the radio and driving the ambulances.

**What is your definition of optimism?**

Looking at the brighter side of things instead of the negative side.

**Mr. Charles Leekity (Site Supervisor)**

**How well are your interns/trainees adapting to their job site?**

That's a really hard question. It really depends on the person and their different responses to the stuff we see here. It can be very demanding physically and emotionally, but the two we have here, (Hughte and Alexandria B.) have shown strong dedication and passion for the field.

Need a New Starbucks Order?

Erica C.  
Strawberries & Cream Frappuccino

Tiffany L.  
Tango Tea with Lemonade and Peach

Kesean H.  
Mango Dragon Fruit with Peach

Remember to stay hydrated! Put on sunscreen! Wear bug spray! Protect yourself!

# Spotlight: Child Care Program

Interview with Tiffany Latone (Child Care Specialist) and Erica Chavez (Family Engagement Specialist) about the services they provide!

**What services does your program offer and how many families do you serve?**

We primarily provide child care services for children ages 0-12 and serve approximately 75-80 families. A majority of our families have multiple children and our largest family consist of three siblings.

**What kinds of activities do you have? Are there any new plans for the future?**

We offer various activities for our children, their families, as well as our providers! These include our new walking club, fun workshops that deal with food, and art projects. We've been trying to get back to how we were Pre-COVID. We're hoping to take trips to the zoo and the International Balloon Fiesta!

**How can people interested in obtaining service reach out?**

If you're interested, please reach out by giving our offices a call at (505) 782 - 5998 and ask for me (Tiffany) or Erica! We'll gladly help you figure out what's best for you and your family. If not, you can also email us! We're here to help!

To find our more information about the child care program please call (505) 782 - 5998 and ask for Tiffany or Erica! Alternatively, you may send an email to [tiffany.nahohai@ashiwi.org](mailto:tiffany.nahohai@ashiwi.org) or [erica.chavez@ashiwi.org](mailto:erica.chavez@ashiwi.org)!

## Meet the Author/PR Trainee

**Anthony Ryan Edaakie**

Hello! I am the programs' public relations trainee where I hope to sharpen my skills as a professional through the use of my voice and writing. My future goals are to become a certified teacher. I plan to use my skills to guide our next generation of youth towards an inclusive and resilient community. Per my employment here at the ZECDC, I plan to introduce the organization to the online world that is respectful to it's legacy and optimistic for its future!
